## MESSAGE FROM THE ATTORNEY GENERAL

*Dear Law Enforcement Colleague –*

*On April 28, 2018, the Wisconsin Department of Justice (DOJ) in conjunction with the Drug Enforcement Administration (DEA) will coordinate a Prescription Drug Take Back Initiative throughout Wisconsin. This one-day effort will get all those unused prescription and over-the-counter drugs out of medicine cabinets and safely destroyed.*

*70% people who are addicted to prescription pain killers first used them after improperly obtaining them from a family member or friend. By getting unused medications out of our homes and safely disposing of them, we decrease the likelihood of diversion and abuse.*

*By participating in our statewide Drug Take Back Day, you can be a part of Wisconsin's success as a national leader in this initiative.*

*Since 2015, Wisconsin has collected more than 330,000 pounds of unused medications – that's nearly 17 semi-trucks full of unused drugs that aren't ending up in the wrong hands! And, Wisconsin has repeatedly been the top state in the nation for law enforcement agency participation in Drug Take Back Day.*

*By holding a Drug Take Back event in your community or installing a permanent drug drop box at your agency, you can help Wisconsin break another record, and continue to be a national leader in the fight against the opioid epidemic.*

*On Saturday, April 28, 2018, participating state and local law enforcement agencies can host one or more collection sites at locations of their choosing. Locations should be selected that provide easy public access and available parking.*

*To participate in Drug Take Back day, **OR** to dispose of collected drugs in your permanent drug disposal box agencies must register with DOJ in advance. Agencies can register at the following link:*  
<http://www.cvent.com/d/vtqtmf>

*Drug Take Back events and drop boxes can be found on the DOJ Dose of Reality website. If your agency has a drop box, please make sure it is listed on the DOJ Dose of Reality site. <http://doseofrealitywi.gov/drug-takeback/find-a-take-back-location/>*

*For questions about registration or to register your drug drop box with DOJ, please contact Danielle Long (longdb@doj.state.wi.us or (414) 403-4437). **The registration deadline is March 23, 2018.***

Very truly yours,

Brad D. Schimel  
Attorney General

The Wisconsin State Crime Laboratory (WSCL) is excited to announce its inaugural newsletter in 2018. Please sign up for our newsletter through WileNet.

## **Services**

The WSCL provides forensic services free of charge for our authorized submitters. The WSCL has three locations: Madison, Milwaukee and Wausau and provides forensic testing in the areas of: AFIS, Latent Prints, Footwear, Firearms and Toolmarks, Controlled Substances, Toxicology, Trace, Forensic Imaging, Crime Scene Response, NIBIN, DNA Databank and DNA Casework.

The WSCL is accredited by the American Society of Crime Laboratory Directors / Laboratory Accreditation Board (ASCLD/LAB) International Program, ISO/IEC 17025:2005, a subsidiary of [ANSI-ASQ National Accreditation Board \(ANAB\)](#) and is operating under accepted guidelines that are practiced internationally and are routinely and vigorously reviewed. The most recent accreditation was granted in June 2017.

The WSCL has implemented submission guidelines for DNA and Controlled Substances in recent years and encourages submitters to reach out with any questions. We are more than happy to assist you with your forensic testing needs.

## **Crime Scene Response Changes in Service: Blood Pattern Analysis**

As of September 1, 2017 the WSCL no longer provides the service of blood pattern analysis interpretation, but will continue to document and photograph blood patterns at crime scenes when requested. This policy change was the result of a steady decline in blood pattern analysis interpretation requests and the limited trained examiners at the WSCL. In preparation for this transition the WSCL completed all active cases in-house or received by July 2017. This transition was coordinated by Supervisor Jim Andreas at the Madison Crime Laboratory. Mr. Andreas can be reached at 608-266-2031. Feel free to contact Mr. Andreas at 608-266-2031, or contact WSCL Director Nikki Roehm at [roehmnl@doj.state.wi.us](mailto:roehmnl@doj.state.wi.us) if you have any questions about this process.

## **DNA Databank: Additional Services**

In an effort to continually serve the interests of law enforcement agencies in Wisconsin, the WSCL will now be accepting requests to perform Familial DNA Searches.

Familial DNA Search is a tool that deliberately searches for biological relatives of an unknown evidence profile obtained from crime scene evidence. This search is performed with the offender DNA profiles in the Wisconsin DNA Databank, which contains DNA profiles from individuals convicted of felony and misdemeanor crimes as well as individuals arrested of a violent felony crime where probable cause has been established.

The Familial DNA Search tool has been evaluated at the WSCL in a pilot program capacity for the last three years. During that time, twenty cases have had first time searches completed.

---

In three of twenty cases, or fifteen percent, the WSCL was able to provide an agency with a new investigative lead which led to the identification and apprehension of a suspect.

Due to the additional time and resources this tool requires, the DNA Databank Team is only able to perform six searches a year. Additionally, the tool is only approved for use with unsolved, violent crimes where all investigative leads have been exhausted. Finally, the case needs to have a suitable STR DNA profile searching in the Combined DNA Index System (CODIS) and a Y-STR DNA profile (male DNA testing).

Once a case has met the initial requirements, a Familial DNA Search request form must be completed by the law enforcement agency and the prosecutor's office and submitted to the DNA Databank. The Familial Search committee reviews all requests and triages amongst the other requests based on the public safety threat. Further, because these cases are more challenging and time consuming, and because any names (i.e. candidates) provided are not direct matches and instead are potential relatives of the perpetrator, the DNA Databank requires that any agency approved for a search must attend an opening meeting to receive training on the process.

If you have a case that you believe may be suitable for familial DNA searching, you may send the case information to Jennifer Honkanen ([honkanenje@doj.state.wi.us](mailto:honkanenje@doj.state.wi.us)) or to the DNA analyst who worked your case. They will be able to investigate and determine whether the case has met all of the scientific requirements for testing.

Please visit the WSCL website to obtain additional information or contact the Wisconsin DNA Databank ([DNADatabank@doj.state.wi.us](mailto:DNADatabank@doj.state.wi.us)) with any additional questions. We are excited to offer this new service to our submitters!

We look forward to continuing to work together to meet Wisconsin's public safety goals and appreciate your participation in that effort!

### **State of Wisconsin v. Daniel Bartelt Decided by the Wisconsin Supreme Court- February 20, 2018**

**\*This case was highlighted as a court of appeals case in the April 2017 Law Enforcement Bulletin. The case was appealed to the Wisconsin Supreme Court who has now affirmed the court of appeals decision following the same reasoning. As this case's law is now ratified by Wisconsin's high court I reprise the synopsis here.**

#### **Issue:**

The issue in this case is whether a person is in custody for Miranda purposes, when interrogated about a serious matter in a police station and after he makes incriminating statements. The Wisconsin Supreme Court, after noting that the defendant came in voluntarily, was not handcuffed, was consistently told he was free to go, and was allowed freedom of movement, was not in custody for Miranda purposes. Accordingly, when he mentioned that he wanted an attorney, that effectively ended the interview, but it did not represent an assertion of his Miranda right to counsel. So the police were free to reinitiate contact with the defendant on the following day.

#### **Facts:**

The police were investigating a homicide and a recklessly endangering case, both of which occurred at a local park. The defendant was soon identified as a person of interest. The police made contact with the defendant and asked if he would meet the police at the Slinger P.D. The defendant readily complied with this request and he was taken to the department by two friends who waited for him at the station.

The defendant was escorted to an interview room where he met up with two detectives, both of whom were wearing casual clothes, with their badges on their belts and their guns holstered at their side. The detectives told the defendant that he was not in trouble, was not under arrest, and was free to go at any time he wished to. The police advised the defendant that they were investigating an incident at the park, and initially the defendant denied ever being at the park. As the interview continued, the police continued to hone in on the defendant and suggested that he was not being truthful. The police then overstated some of the evidence they had, and advised the defendant that the evidence pointed rather conclusively to his being at the park. At one point during the interview, the defendant's phone rang and the police

allowed him to attend to the call. After time the defendant admitted to being at the park, that he had a knife, and that he went after the girl with the knife as he wanted to scare someone. Then the defendant said the girl screamed, he dropped his knife, and they both ran away.

After making these admissions the defendant was asked to make a written statement, to apologize to the girl and at this point the defendant said that he wanted an attorney. The police said sure and stopped the interview, and shortly thereafter the defendant was arrested. Throughout this interview the defendant was never read his Miranda warning. The next day the police reinitiated contact with the defendant and read him his Miranda rights. The defendant waived his rights and admitted to being the park when the homicide took place, and after making those statements the police found physical evidence connected to the murder at the park, that contained both the victim's DNA and the defendant's.

#### **The Defendant's Argument:**

The defendant argued that once he told the police during the first interview about scaring the girl with a knife he was not free to go and thus he was in custody when he asked for an attorney. Accordingly, the police violated his Miranda right to counsel when they reinitiated contact with him and everything he told the police on that day should be suppressed.

#### **The Court's Holding:**

The Wisconsin Supreme Court found that the defendant was not in custody during the first interview, as he came on his own, was told he was free to go, and came with friends, suggesting he fully expected to be allowed to leave. The court further opined that even when the defendant made incriminating statements, those statements did not morph the non-custodial situation into a custodial one, because the police did not change their attitude, the environment, or tell the defendant that he was no longer free to leave. So, when the defendant said he wouldn't talk anymore without an attorney he was not exercising his Miranda rights as he was not in custody. Thus his expressed wish for an attorney did not bar the police from re-initiating contact as it would have if he made the request for counsel while in custody. So, as the police did Mirandize the defendant during the second interview, and the defendant waived, his subsequent statements were admissible.

#### **Notes:**

The court reaffirmed the rule that Miranda rules are only implicated when a suspect asserts his rights while in custody. Asking for a lawyer when not in custody does not bar the police from reinitiating contact.

It is also noteworthy, that when a subject makes incriminating statements, while not in custody, this fact does not automatically transform a non-custodial environment into a custodial one. It is one factor, but in this case it was overcome by all the other factors pointing to non-custody.

**Prince Georges County, MD**

On Wednesday, February 21, 2018 our hearts were broken by the inhuman and brutal killing of our beloved brother, Corporal Mujahid Ramzziddin. He paid the ultimate sacrifice that any law enforcement officer could make, his life, while protecting and defending the citizens of Prince Georges County. His actions epitomize the phrase:

"There is no greater love than a man who would lay down his life for a friend"

As we travel through this time of heart break and mourning, remember we are a family and as a family take care and pray for one another.

Top Cop and Eau Claire Police Officer David Chapin's small actions and big problem solving helped a young woman recover her electronics from a storm drain, and get home safely, earlier this month in Eau Claire.

Officer Chapin was driving through Eau Claire when he noticed a young woman drop something out of her pocket as she crossed the street, and then looked very distressed as she looked into a storm drain.

When Officer Chapin spoke to her, the young woman showed the officer how she had dropped her Nintendo DS down the storm drain, and it was clearly too far down for her or the officer to grab it themselves.

Wanting to get the expensive electronic back to the owner, Officer Chapin called another officer, who brought out a grabbing pole. Unfortunately, the grabbing hand was too thick to fit through the grate, and the grate couldn't be removed.

Officer Chapin called the City of Eau Claire Utilities Department, and they were able to remove the grate, and Officer Chapin reached down and rescued the Nintendo DS for the young woman.

The recovery of the electronic took so much time the young woman missed her bus home; so Officer Chapin gave her a ride home.

"Law enforcement officers swear a duty to serve and protect, and they do this in big and small ways every day," said Attorney General Brad Schimel. "Officer Chapin's actions were small, but mattered to a local citizen. Whether it's saving someone's life or making someone's day a little easier, Officer Chapin and Wisconsin's law enforcement officers make me proud."

## A LAW ENFORCEMENT OFFICER YOU SHOULD KNOW

### SUBMIT A LAW ENFORCEMENT MEMBER FOR RECOGNITION

Law enforcement officers, jailors, and juvenile detention personnel work tirelessly day-in and day-out to serve and protect our citizens. All too often their daily performance is taken for granted and only becomes newsworthy when something extraordinary happens.

The Department of Justice (DOJ) would like to recognize and provide a format for agencies and peers to recognize law enforcement officers, jailors, and juvenile detention officers who exhibit exceptional commitment, dedicated community service, and ethical leadership on a daily basis as they perform their duties. While many awards exist to recognize exceptional service, the so called "routine efforts" can sometimes go unnoticed.

DOJ would like to start featuring these dedicated public servants in the Law Enforcement Bulletin. If you are interested in participating in this great recognition opportunity please submit a candidate through the electronic form now available in the Law Enforcement Bulletin section of WILENET.

On the submission form you will have the opportunity to provide a short bio of the individual and share a story or provide an example of the extra effort, kindness, or creativity that your member shows in their work on a daily basis. A photo of the individual and/or the agency logo is also encouraged. Submissions will be excepted from front-line supervisors or higher and will be reviewed by DOJ staff. The support of our criminal justice partners will make this a successful endeavor and provide some well-deserved recognition to those in the field.

The general Department of Justice mailing address is P.O. Box 7857, Madison, Wisconsin, 53707-7857. Offices are physically located at 17 W. Main Street, Madison, Wisconsin.
