MESSAGE FROM THE ATTORNEY GENERAL

Dear Law Enforcement Official:

The month of May brings us National Police Week – a time to recognize the service and sacrifice of law enforcement personnel throughout the country. In Wisconsin, we will remember Fond du Lac Officer Craig Birkholz who gave his life in the line of duty in March 2011. We also should recognize the service of Marathon County Sheriff's Deputy Jamison Kampmeyer who died last month while serving as a volunteer firefighter in Abbotsford. Wisconsin's Law Enforcement Memorial Ceremony will be held on Friday, May 18th, on the Capitol Square. I hope you will be able to join me and your colleagues as we remember and recognize those who have made the ultimate sacrifice for the citizens of Wisconsin.

In early June, we will take an in-depth look at the Fond du Lac officer shootings during my annual Attorney General's Summit. This year's Summit will be held June 6-8 at the Chula Vista in Wisconsin Dells. While examining a tragic situation is difficult, sharing lessons learned from this event could prevent a similar situation in the future.

Another goal of the 2012 Summit is to increase our knowledge of and response to human trafficking. In what amounts to "modern day slavery," traffickers exploit men, women and children for their own profit. My office is committed to working with our law enforcement partners to improve trafficking investigations and prosecutions, and to connect victims with needed services.

Summit attendees will leave with a better understanding of human trafficking and its local impact. Trafficking does exist in Wisconsin. Local experts will share what they know and will provide strategies law enforcement personnel can use to identify and address trafficking crimes.

Finally, the Summit gives me an opportunity to hear directly from you about the state of law enforcement in Wisconsin. Once I am aware of your issues and concerns, I can work with my leadership team to determine how the Department of Justice can help. With more than 300 law enforcement professionals in attendance, the Summit also provides numerous opportunities to network with colleagues from across the state.

A detailed agenda and Summit registration information are available on WILENET and the Department of Justice website (www.doj.state.wi.us). I hope to see you at the Chula Vista in June.

Sincerely,

A handwritten signature in black ink that reads "J.B. Van Hollen". The signature is written in a cursive, flowing style.

Attorney General*

State v. Boyd
Decided by the Wisconsin Court of Appeals,
March 28, 2012
2012 WI App. 39

Issue:

This case discusses the propriety of a traffic stop. An Illinois vehicle was stopped because it had only one plate and was missing the front license plate. The court held the stop proper because Illinois law requires both plates to be displayed.

Facts:

The defendant was operating a vehicle registered in Illinois, in southeastern Wisconsin. The vehicle was stopped by the police because the car did not display a front license plate. A subsequent search of the vehicle revealed that the defendant was carrying a large quantity of marijuana.

The Defendant's Argument:

The defendant argued that he was improperly stopped because Wisconsin law does not require him to

display a front plate while driving in Wisconsin. The defendant also argues that he was exempt from the applications of the Wisconsin traffic code since he is an Illinois resident driving an Illinois registered vehicle.

The State's Argument:

The state argued that the stop was proper because Illinois law requires that both license plates be displayed.

Holding:

The Wisconsin Court of Appeals agreed with the state and held that the stop of the defendant's vehicle was lawful and proper. The court looked at the Wisconsin motor vehicle code and found that it requires the display of both the front plate and back license plates whenever two registration plates are issued. This requirement applies to vehicles registered in other states, when they are operated in Wisconsin, as well as to vehicles registered in Wisconsin, which for whatever reason are assigned two plates. In reaching this decision the court rejected the defendant's argument that there was allegedly another statute exempting vehicles registered in other states from any Wisconsin requirements.

Note: The officer in this case knew of the Illinois requirement to have both plates displayed. The result might have been different if the officer incorrectly assumed that a particular state require the display of both plates. Also, though the opinion was not about the search of the vehicle but rather the stop, it is assumed that the search was properly performed within one of the 4th amendment justifications.

The general Department of Justice mailing address is P.O. Box 7857, Madison, Wisconsin, 53707-7857. Offices are physically located at 17 W. Main Street, Madison, Wisconsin.
