## MESSAGE FROM THE ATTORNEY GENERAL

*Dear Law Enforcement Official:*

*I have appointed John "Tony" Barthuly to the position of Director of the Training and Standards Bureau at the Department of Justice. Tony Barthuly's extensive experience as an instructor and law enforcement leader will be critical to our mission of enhancing the skills and professionalism of the law enforcement community in Wisconsin.*

*Barthuly has been in law enforcement for more than 30 years. He began his career in public safety as a Deputy Sheriff with the Fond du Lac County Sheriff's Department. Barthuly then joined the Fond du Lac Police Department, where he served initially as a police officer and more recently, as chief of the department for the past seven and a half years.*

*As director of the Training and Standards Bureau, Barthuly will oversee the Bureau's efforts to coordinate and support statewide training provided by the Department of Justice to the Wisconsin law enforcement community. The Bureau also is the staff of the Law Enforcement Standards Board. The Bureau administers the programs of the Board for certification of law enforcement, jail and secure detention officers; of instructors and training academies.*

*Barthuly comes to the Bureau with a long and distinguished background in the training of law enforcement officers, having served on and led a number of committees and associations focused on increasing the skill sets of Wisconsin's law enforcement officers. Barthuly has a Bachelor's degree in Criminal Justice Administration from UW-Oshkosh and a Master's degree in Management from Cardinal Stritch. He also is a graduate of the FBI National Academy.*

*Sincerely,*

A handwritten signature in black ink that reads "J.B. Van Hollen".

*J.B. Van Hollen  
Wisconsin Attorney General*

**State v. St. Martin**  
**Decided by the Wisconsin Supreme Court**  
**(June 2011)**

**Issue:**

This case deals with the issue of consent to enter a home. Ultimately the Wisconsin Supreme Court concluded that the defendant's objection to a search of the home was non-binding since the defendant was not present in the home, whereas the consent was inside the home.

**Facts:**

The police responded to a home, investigating a domestic battery situation. Upon arrival the police made contact with a female and with a male, each with an equal possessory interest in the home. Ultimately the police had sufficient probable cause to arrest the defendant, and arrested him on his front porch. The police then escorted the defendant to the police squad, which was parked near the home. In the meantime the female co-owner of the home remained in the house. Police asked the co-owner woman for permission to search the attic, which she granted. Police also asked the defendant who denied consent. The police searched the attic.

**Defendant's Argument:**

The defendant argued that the police search of the attic was unlawful because the police did not have unanimous consent from the home occupants. As the female co/owner gave consent but the defendant did not, the defendant argued that the police did not have valid consent.

**The State's Argument:**

The state argued that the defendant's denial of consent was ineffectual when compared to the consent given by the female who was inside the residence.

**The Court's Holding:**

The Wisconsin Supreme Court validated the police search of the attic. The court held that the Georgia v. Randolph rule (one co/owner grants consent and the other denies consent=no consent) is only applicable when both of the owners are present in the home. In this case only the consent was in the home- the objector was not in the home, but in a squad, and therefore his opinion is not part of the equation.

**Note:** The police cannot contrive to have the non consent out of the home to take advantage of this holding. In this case that was not an issue as the police lawfully arrested the subject and transported him to the squad, before even broaching the consent issue. Technically the officer need not have bothered to ask the defendant for consent once the female home occupant granted it.

### Incident Summaries

**Memphis Police Department (MPD), Tennessee,** Veteran Officer, aged 39 with over seven years law enforcement experience with agency, was fatally shot. On evening of 07/03/2011, individual, her current husband, ex-husband, and other family members were staying at hotel. While on street, married couple engaged in argument. Near hotel, couple reconciled from argument and kissed. During

kiss husband bit wife's lip, triggering more arguing. When woman told ex-husband what had happened, he confronted woman's present husband, which resulted in argument between ex-husband and present husband. When two separated, woman's husband (subject) went to parking garage and retrieved two pistols; one from his vehicle and one from another family member's vehicle. Subject then entered hotel, confronted woman's ex-husband on ninth floor and shot him multiple times, resulting in his death. Hotel employees exited hotel and notified two MPD officers, who were standing outside patrolling area, that gunshots were heard in hotel. "Shots fired" broadcast with location was transmitted on MPD radio. Officers proceeded into hotel. During that time, MPD Officer was driving to work in personal vehicle to begin his shift when he heard broadcast and diverted to hotel. Officer coordinated with other MPD officers to search hotel for subject. Information from hotel staff indicated subject's room was on third floor. Officers proceeded to third floor but did not locate subject. Information was received that subject might be on eighth or ninth floor. Officers chose not to use elevators due to crowding by hotel residents. Officers began to climb stairs in attempt to locate subject. Officer who had diverted to scene became winded and started to lag behind other MPD officers. Other officers exited on eighth floor to search for subject, however, winded Officer continued past eighth floor without joining other officers. It is believed that Officer was either unaware that officers exited on eighth floor or thought that enough officers were covering eighth floor. When other MPD officers re-entered stairwell, they heard voices. Subject said to Officer "I'm sorry," and then officers heard one gunshot. Officers rushed upstairs and confronted subject who surrendered to officers without further incident. In spite of lifesaving measures being applied to Victim Officer, he succumbed to gunshot wound.

**Bismarck Police Department (BPD), North Dakota,** Veteran Sergeant, aged 56 with approximately 35 years law enforcement experience, was fatally shot. On 07/08/2011, BPD officers responded to domestic disturbance call in reference to individual threatening another person with knife. Upon arrival at complainant's residence, officers were informed subject had department. Short time later, officers located subject's vehicle. At about 10:30 p.m., Sergeant and another officer approached subject vehicle and found subject sitting inside. Sergeant issued verbal commands for subject to "show him his hands" several times before subject opened fire on officers. Sergeant was struck by one round that entered through armhole of his protective vest and into his heart. Other officer returned fire and struck subject with grazing round across top of head. Victim Sergeant was rushed to hospital where he succumbed to injuries at approximately 11 p.m.

**Beaumont Police Department, Texas,** Veteran Police Officer, aged 36 with approximately ten years law enforcement experience with agency, was fatally struck by vehicle. On 07/08/2011, Officer exited his vehicle to lay spikes in roadway in effort to stop subject vehicle being pursued in high-speed chase. During course of pursuit, subject deliberately steered his vehicle into Officer's unoccupied vehicle, which rammed into Victim Officer who was standing nearby. Victim Officer was transported to hospital where he later succumbed to his injuries. Subject is in custody and facing charges in connection with Victim Officer's death.

**Terre Haute Police Department (THPD), Indiana,** Veteran Sergeant, aged 34 with over six years law enforcement experience with agency, was fatally shot on 07/11/2011. At approximately 3:30 p.m., U.S. Deputy Marshal, U.S. Marshal's Service Task Force Officer, THPD Police Officer, and others were attempting to serve arrest warrant on subject. During course of attempted arrest, deputy marshal questioned individual outside residence as to location of subject. Individual repeatedly advised deputy marshal that subject was not inside residence, nor did she know where he was located. Another individual was questioned by task force officer outside residence regarding subject's location and this individual refused to provide any information pertaining to subject's location. Short time later, THPD Officer discovered subject inside residence hiding behind false wall. Upon discovering subject, gunfire was exchanged between subject (using 9-millimeter handgun) and THPD officers. During exchange of gunfire, one THPD Officer received two gunshot wounds to head resulting in his death. Subject sustained three gunshot wounds, however, it is presently believed that subject took his own life with final gunshot to head.

**Laurens County Sheriff's Office, South Carolina,** Deputy Sheriff, aged 29 with six months law enforcement experience with agency, was fatally shot on 07/13/2011. At approximately 11:30 a.m., deputies responded to residence in connection with murder investigation. Upon arrival, shots were exchanged between subject and deputies. During exchange of gunfire, Victim Deputy was fatally shot and civilian was wounded. Subject has been arrested and charged with two counts of 1<sup>st</sup> degree murder, one count for murder of Victim Deputy and one for previous murder.

**Clayton County Sheriff's Department, Georgia,** Veteran Deputy Sheriff, aged 55 with over 25 years law enforcement experience, was fatally shot on 07/20/2011. At approximately 2:56 p.m., members of Clayton County Sheriff's Department attempted to execute arrest warrant on subject. After stopping vehicle in which subject was riding in front passenger seat, subject immediately exited vehicle. Using .40 caliber semi-automatic handgun, subject began shooting in direction of Deputy Sheriff. Deputy Sheriff was struck in shoulder and under his body armor near abdomen. Subject then fled on foot, igniting massive manhunt. Victim Deputy Sheriff was taken to medical center where he succumbed to his wounds. Massive manhunt ensued for subject with hundreds of local, state, and federal law enforcement agencies attempting to locate and apprehend subject. At approximately 8 p.m., subject was arrested without incident. Currently subject is incarcerated at correctional facility awaiting trial for murder of Victim Deputy Sheriff.

*Additional details regarding incidents are not available. Should you wish to obtain information for condolence purposes, please contact your department's Law Enforcement Online (LEO) representative.*
