MESSAGE FROM THE ATTORNEY GENERAL

Dear Law Enforcement Colleague,

I'm pleased to announce that the Crime Information Bureau (CIB) will be hosting its 15th annual conference September 17th through 19th in Green Bay. The conference, which attracts more than 375 attendees from all corners of the state, will include sessions on Gangs and Prison Radicalization, Domestic Terrorism, the Boston Marathon Bombing, Human Trafficking, Workplace Culture and Civility, TRAIN Admin, Camera/Video Surveillance, Active Shooter for Dispatch, Amber Alert for Dispatch, Uniform Crime Reporting, Child Abduction Response Plan, Emergent Technologies and CJIS Compliance, Anti-Bullying Efforts, a Legal Update, TIME/Interface Updates and more. Information gained from the conference can be beneficial to people with direct and indirect access to law enforcement information. Vendors also will be available with the latest new technologies. Participants can register online at <http://www.doj.state.wi.us/dles/cib/conference/annual-cib-conference>.

Training for response to domestic terrorism is critical for our state and local law enforcement. The State and Local Anti-Terrorism Training (SLATT) will offer sessions to address issues related to Domestic Terrorism, Gangs, and Prison Radicalization. These sessions are designed to cover pre-incident awareness and prevention as well as techniques used by terrorist and violent criminal extremists. Lieutenant Daniel Linskey was the Incident Commander for the Boston Marathon on April 15, 2013. He oversaw the response to the bombing, the investigation and eventual manhunt that resulted in the arrest and capture of the suspect.

Registration also is open for this year's Attorney General's Summit on Public Safety, which will address two issues facing every Wisconsin community -- heroin abuse and domestic violence. The Summit is scheduled for June 17th through June 19th at the Kalahari Conference Center in Wisconsin Dells. Please see the following link for registration information: <http://www.doj.state.wi.us/dles/attorney-generals-summit-public-safety-protecting-our-families>

Finally, be advised that Wisconsin now recognizes Illinois concealed carry licenses. The current list of out-of-state licenses accepted in Wisconsin is available on the DOJ website at: <http://www.doj.state.wi.us/dles/cib/conceal-carry/reciprocity>. Please note, however, that Wisconsin residents cannot use an out-of-state license to carry concealed in Wisconsin. The website is routinely updated as the information is obtained. Thank you, and be safe.

Sincerely,

A handwritten signature in black ink that reads "J.B. Van Hollen". The signature is written in a cursive, flowing style.

PRADO NAVARETTE et al v California Decided by the United States Supreme Court 4/22/14

Issue:

This case looks at an anonymous tipster and decides whether the tipster provided law enforcement with the requisite reasonable suspicion upon which to make a traffic stop. Specifically the court held here that the tip was sufficient, as it was detailed about the vehicle involved, about the location, and about the tipster's basis for its knowledge. Moreover, the court noted that a 911 call, while anonymous contains some indicia of identification as to the caller.

Facts:

Dispatch relayed a tip from a 911 caller, which specifically described a vehicle in make, color, and license plate number, and specifically described a location where the vehicle ran the tipster off the roadway. The police responded to the location. In thirteen minutes, the police first observed the subject vehicle at a location consistent with where the vehicle had been when it allegedly ran the tipster off the road. The police followed the vehicle for approximately five minutes, and though the officer did not observe any suspicious driving, he stopped the vehicle based on the tipster's information. After

stopping the vehicle the police discovered 30 pounds of marijuana in the vehicle's truck bed.

The Defendant's Argument:

The defendant argued that police stop of his truck was unlawful as the police lacked the requisite reasonable suspicion to make a traffic stop. The defendant reasoned that the anonymous tipster was not reliable enough for the police to fully rely on.

The State's Argument

The state argued that the tipster was sufficiently reliable since he/she had fully explained the basis for their knowledge, the specifics of the vehicle, and the location where the alleged poor driving took place.

The Supreme Court Holding

The United States Supreme Court agreed with the state and found the police stop of Navarette's vehicle to be lawful. The court reprised the notion that anonymous tipsters are on the low end of reliability but felt that there were enough specifics in this case to buttress the tipster's reliability. The court noted that the tipster gave a detailed description of the offending vehicle; its color, its make and its plate number, and a specific description where the tipster claimed the subject vehicle had run him/her off the road. The court was also impressed with the very short time frame between the incident and the tipster calling 911. Finally, the court gave extra credence to the tipster for using the 911 communication system, since 911 calls are not purely anonymous and do leave some indicia of identification as to the caller.

Lafayette County Sheriff's Office (LCSO) Arkansas, Veteran Chief Deputy, aged 50, with approximately 18 years law enforcement experience with agency, was fatally injured in motor vehicle crash on 3/17/2014. At approximately 2:38pm, law enforcement officers with LCSO and Arkansas State Police responded to officer involved motor vehicle crash. Prior to officers responding to motor vehicle crash, Chief Deputy was documented as transporting homeless subject from Lewisville, Arkansas, to shelter in Texarkana, Arkansas. LCSO shows pervious calls for service involving subject where subject was contacted by officers due to his behavior on side of public roadway.

Witness accounts indicate LCSO unit was traveling on highway when unit swerved into oncoming traffic. LCSO unit crashed into vehicle and then was hit head on by semi-truck. Victim Chief Deputy was fatally injured in motor vehicle crash and subject was transported to local hospital. Subjected stated to investigators he wanted to die and was attempting suicide and confessed to grabbing steering wheel of LCSO unit which caused unit to swerve into oncoming traffic. Subject was later taken into custody and local prosecutor has charged subject with second degree murder.

Johnson City Police Department, New York, Veteran patrol officer, with over 18 years law enforcement experience with agency, as fatally shot on 3/31/2014. Officer responded to call of individual with bomb outside area hospital. Upon arrival, officer was confronted by subject. Struggle ensued between officer and subject, during which subject obtained control of officers firearm. Victim officer was fatally shot with own weapon. Second patrol officer arrived on scene shortly thereafter when he shot and apprehended subject. Subject state he placed bombs in hospital prior to shooting incident. Subject later died during surgery at local hospital.

Local Authorities searched hospital and obtained search warrants for subject's vehicle and residence. No bombs were found during initial search of hospital and subjects vehicle was found to contain no explosive devices. Subject's residence had not yet been searched at time incident notification was prepared.

Windermere Police Department (WPD), Florida, Veteran police officer, aged 31, with 5 years law enforcement experience with agency, was fatally shot on 3/22/2014 at approximately 3:30am. Police Officer was working patrol when he stopped to encounter two individuals walking along roadway. WPD Officer called for backup as he made contact with individuals. Orange County Sheriff's Office (OCSO) Deputy Sheriff and

Orlando Police Department (OPD) police officer responded to back up request. Upon arrival, OCSO Deputy and OPD Officer discovered WPD Officer had been shot. As they provided Victim Officer with first aide, they heard gunshots.

Several OCSO Deputies and OPD Police Officers responded and established perimeter. During search of area, two bodies lying in brush across from street were located, deceased from what appeared to be gunshot wounds. Bodies were later identified. Although investigation continues, it is believed two subjects who shot victim officer killed themselves once responding law enforcement officers arrived at scene. Victim Officer was transported to medical center where he was pronounced deceased from injuries he sustained during shooting.

**Mendocino County Sheriff's Office (MCSO),
California,**

Veteran Deputy Sheriff, aged 48, with 26 years law enforcement experience, was fatally shot on 3/19/2014. During morning hours, MCSO received call from local business owner who fired shots at subject. Business owner and subject had altercation resulting in gunfight. Subject fled scene and was located by MCSO deputies on local highway. Deputies chased subject, but subject was able to get away. Shortly before noon, another

MCSO deputy spotted subjects vehicle on dirt road. Deputy's vehicle came "nose to nose" with subject's vehicle. Deputy was unable to exit his vehicle when subject began shooting at Deputy with rifle, fatally wounding him.

Fort Bragg Police Officer heard gunshots, arrived at scene of incident, and found subject outside passenger side of Victim Deputy's vehicle. Subject was taking Victim Deputy's weapon. Fort Bragg Officer and subject exchanged gunfire. Subject ran towards bushes where he was found deceased after brief search.

Subsequent investigation revealed, on 3/18/2014, subject robbed University of Oregon Professor, killed him, and burned his house down.
