MESSAGE FROM THE ATTORNEY GENERAL

Dear Law Enforcement Official:

This year marks the 10th anniversary of the founding of the Wisconsin Department of Justice Internet Crimes Against Children (ICAC) Task Force. While great success has been achieved in this area of law enforcement, there is much work that still needs to be done. Please join me in our efforts to help protect children online by becoming an affiliate of our ICAC Task Force.

In 1998, our Division of Criminal Investigation (DCI), partnered with the Milwaukee Police Department, put together a proposal to obtain one of only ten federal grants targeting sexual predators of children on the Internet. Since being awarded that initial grant, our ICAC Task Force and Affiliate Agencies have arrested 540 suspects, executed 647 search warrants, and rescued countless numbers of children throughout the state. Imagine the work we could do if every law enforcement agency in Wisconsin joined us and our partners, now totaling 59 local and county agencies.

There is no cost to becoming an affiliate agency, but there are many benefits:

- Receive reimbursement to help fund ICAC related expenses, including computer hardware and software;*
- Notification of and priority for sought-after ICAC related training, offered both nationally and in Wisconsin;*
- Investigative assistance from highly trained ICAC investigators and forensic computer analysts throughout the state;*
- Access to national ICAC email group;*
- Recognition on both your department's website, and on the Wisconsin Department of Justice website;*
- Professional and personal satisfaction in knowing that your agency has actively helped protect children online in your municipalities and counties.*

The only requirement is to sign a Memorandum of Understanding, agreeing to follow national ICAC policies, procedures, and guidelines when conducting investigations.

I know that as law enforcement professionals, we face many challenges when it comes to allocating time and resources to serve the citizens of our community. For those who have worked ICAC cases, you know how important this effort is, no matter how big or small the size of the community.

*For those who want more information before making a commitment, I invite you to take up an offer provided by the National Center for Missing and Exploited Children (NCMEC). NCMEC offers a Chief Executive Officer (CEO) training seminar to Police Chiefs and Sheriffs in order to enhance the investigative response to missing and exploited children cases. This training seminar is currently being offered a few times a year at the Jimmy Ryce Law Enforcement Training Center (JRLETC) at NCMEC headquarters in Alexandria, Virginia. This training is a 2-day course, on Sunday and Monday, and is offered at **no cost** to the attendees. Airfare and hotel accommodations are covered by NCMEC and continental breakfast and buffet lunch are provided on days of training.*

If you are interested in becoming an affiliate, please contact Craig Klyve at (608) 267-1314, or klyvecs@doj.state.wi.us. If you are interested in visiting NCMEC, please contact Peter D. Banks, Director of Training and Outreach at (703) 837-6209 or pbanks@ncmec.org.

Sincerely,

A handwritten signature in black ink that reads "J.B. Van Hollen". The signature is fluid and cursive, written in a professional style.

State v. King
2008 WI App 129
Decided by the Wisconsin Court of Appeals –
August 27th, 2008

Issue:

This case involved the propriety of a search warrant. Specifically the Court of Appeals wrestled with the issue of an anticipatory search warrant, which would become executable when the correct address of the residence to be searched was ascertained. Ultimately the court struck down the search warrant as unlawful because an anticipatory warrant can hinge on when evidence arrives at a specific location and not on when the location to be searched is determined. Moreover the court found that a warrant that fails to specify the address to be searched violates the particularity requirement for search warrants. Finally, the court held the search warrant was improper in this case because the information providing probable cause for the search was stale.

Facts:

A detective applied for a search warrant related to three possible addresses. The warrant was anticipatory in that it stated that authorization was contingent upon law enforcement officers determining which of the three possible addresses was the address to be searched. The affidavit in support of the search warrant detailed a number of phone calls and meetings involving the defendant and a leader of a narcotics- trafficking organization. These phone calls contained what appeared to be references to drug transactions. The warrant was applied for one month after the last phone call between the defendant and the drug-trafficking leader.

Eventually the police determined which of the three addresses was the appropriate one and executed the warrant on that address, whereupon they found the evidence.

The Defendant's Argument:

The defendant argued that the search warrant was defective because it was outside the scope of permissible anticipatory warrants, violated the specificity requirement, and was the probable cause was impermissibly stale.

The State's Argument:

The state argued that the courts had earlier upheld the concept of an anticipatory warrant. The state further argued that because of the complex nature of the investigation it was difficult to ascertain the correct address at the time the warrant was requested. To combat the staleness argument, the state pointed out that the affidavit referred to thirty individuals involved in the narcotics ring and detailed intercepted calls between the drug-trafficking leader and other individuals, which took place within five days of the warrant being issued.

The Court Holding:

The Court of Appeals agreed with the defendant on all the issues and held that the evidence should be suppressed as the search warrant was unlawfully granted.

First, the court held that the anticipatory doctrine was not appropriate in a case where execution was conditioned on a verification of an address as opposed to being conditioned on certain evidence of a crime being located at a specified place at some point in the future. The court held that anticipatory warrants are peculiar to property in transit.

Second, since the warrant listed three possible addresses it failed the particularity test as to the location of the residence to be searched.

Third, the court held that most of the drug activity listed in the affidavit did not involve the defendant and as to the defendant there was no evidence of any contact with the drug trafficking leader for a month prior to the issuance of the warrant. Consequently while the police might have a reasonable suspicion that drugs could be found in the defendant's residence, they did not have probable cause as the probative evidence was a month old.

Note: This case does not reverse the doctrine of anticipatory warrants as it relates to evidence being at a particular place on a future date. It just limits doctrine from being applied to items not involved in transit.

Incident Summaries

Skagit County Sheriff's Office (SCSO), Washington, Deputy Sheriff, aged 40, with over two years law enforcement experience with agency was fatally shot after responding to 911 call. On 09/02/2008, between 2:21 p.m. and 5 p.m., the following series of events occurred according to numerous 911 calls. At 2:21 p.m., Deputy was dispatched to residence of mother who feared her son was going to get shot because he entered neighbor's home without permission. Son has long history of mental instability and drug arrests. At 2:50 p.m., upon arrival at residence where 911 call originated, Deputy decided to go to other residence. Deputy called dispatch at 3:02 p.m., advising of her new location and address of that residence. Approximately one hour later, dispatch received call from another individual advising that her neighbor

had been shot at his residence. At 4:05 p.m., stabbing victim called 911 to advise he had been assaulted by subject who was identified as son of mother who originally called 911. At 4:09 p.m., back-up SCSO unit arrived at last know location of Deputy. One minute later, back-up unit advised dispatch that victim Deputy was "down" and that he was under fire. At same time, another victim arrived at local gas station with gunshot wound to arm. At 4:13 p.m., back-up SCSO unit advised there was vehicle in driveway that was occupied by deceased victim and being held at gunpoint. At 4:17 p.m., 911 dispatch received reports of shots being fired at truck on Interstate. At 4:22 p.m., fatality on Interstate was reported to dispatch. Simultaneously with Interstate fatality report, subject was arrested in parking lot of SCSO by officers with Washington State Patrol (WSP), SCSO, and Mount Vernon Police Department. At 5 p.m., homeowners of another residence arrived home to find two deceased construction workers with slash wounds to their throats. Preliminary investigation indicates six deceased victims, including Trooper with WSP who received gunshot wound while on Interstate.

Martinez Police Department, California, Veteran Sergeant, aged 47, with about 12 years law enforcement experience with agency was fatally shot on 09/06/2008 at approximately 11:30 a.m. Officers responded to report of shots fired during domestic dispute at hair salon. Officers entered apartment building behind hair salon in search of subject. Officers were approaching apartment that was located down narrow hallway when subject poked .38 caliber revolver out apartment door and blindly fired at officers. Victim Sergeant received two gunshot wounds, one to chest area just above ballistic vest and one struck protective shoulder area of vest. Victim Sergeant, using AR-15 rifle, and other officer returned fire. Subject, who was struck by victim Sergeant's gunfire, struggled with police K-9 and was also shot by another responding officer. Victim Sergeant succumbed to gunshot would received to chest area. Subject subsequently died from wounds received from victim Sergeant's gunfire. Further investigation revealed subject had previously shot and killed relative of estranged wife inside apartment, which was occupied by five additional individuals, including three children.

Caldwell County Sheriff's Office (CCSO), North Carolina, Deputy Sheriff, aged 25, with over one year law enforcement experience was fatally shot on 09/19/2008 at approximately 10:20 p.m. Deputy responded to residence in reference to 911 hang up telephone call. Two individuals had been in verbal and physical confrontation at residence. During dispute, subject pulled phones out of wall, armed himself with at least one rifle and one handgun, and exited residence prior to law enforcement arriving on scene. Upon arrival, Deputy located individual inside residence. Individual informed Deputy that subject was outside and was armed. Deputy called for backup and instructed individual and her three

children to stay inside residence. As Deputy exited residence, subject fired .223 caliber rifle from concealed position and fatally struck victim Deputy, who was wearing body armor, in head. Two responding CCSO deputies arrived to provide backup for victim Deputy. Upon arrival, their vehicle was immediately fired upon. While bailing out of vehicle, one deputy, victim lieutenant who was wearing body armor, was shot once in chest with .223 caliber rifle round. While taking cover in nearby barn, victim lieutenant returned fire in best guess as to direction of concealed subject. Soon thereafter, both responding deputies picked up victim Deputy's body and retreated from scene. Victim lieutenant's injuries were relatively minor as bullet grazed across his chest. On 09/24/2008, at about 3:30 p.m. and after five-day manhunt that involved approximately 30 law enforcement agencies, subject was found deceased from apparent self-inflicted gunshot wound. Subject's body was found in woods less than ½ mile from residence where victim Deputy was fatally shot.

U.S. Forest Service, Vancouver, Washington, Veteran Canine Officer, aged 51, with over 18 years law enforcement experience with agency was fatally shot on 09/20/2008. At approximately 2:22 p.m., while on patrol duty, Canine Officer contacted Washington State Patrol (WSP) dispatch regarding suspicious van. Van was located near campground in Olympic National Forest. Officer requested WSP dispatch to provide information on vehicle's driver. After failed attempt to contact Officer at about 2:30 p.m., WSP trooper and Clallam County Sheriff's Office (CCSO) deputy were dispatched to location. At approximately 3:10 p.m., CCSO deputy arrived on scene and found victim Officer near her vehicle with at least one fatal gunshot wound to head. Unharmed canine partner was found in victim Officer's vehicle, which was running with emergency lights activated. Victim Officer's second service weapon and ammunition were missing. Responding members of multiple law enforcement agencies cordoned off roads in area, began contacting citizens in vicinity, and launched search for subject. Canines and aircraft equipped in infrared detection were utilized in search for subject but were unsuccessful. At approximately 5:45 p.m., citizen reported sighting vehicle matching description of subject's van. Shortly after 6 p.m., Subject's vehicle was located near scene where victim Officer had originally stopped subject. Copies of subject's photograph were distributed by law enforcement to various area businesses. At about 9:30 p.m., two WSP troopers visited deli in Sequim, Washington. Moments after troopers left deli, subject entered store. After joking with store employees, subject spotted his photograph on law enforcement fliers. Security guard recognized subject from fliers and notified 911. Within three minutes, CCSO deputies responded to store and observed subject exiting establishment. Deputies order subject to put hands up. Instead of complying, subject pulled out handgun and fired at least one round with fatal gunshot wound to head. Three handguns, including victim Officer's service weapon,

were recovered from subject. Witnesses at scene reported observing subject drive up in white pickup, which was left at gas pump outside of deli. After identifying pickup's owner, WSP troopers responded to owner's address. Upon arrival, troopers found deceased pickup owner with gunshot wound to head. Victim, who had recently moved to area, was retired employee of California Department of Corrections. Records indicate that subject was under active supervision by Washington State Department of Corrections, Subject had phoned probation officer on 09/09/2008 and stated that he would no longer be reporting for supervision but instead would be moving into woods and would not return. Moreover, subject reported that he refused to ever go back to jail.

Philadelphia Police Department, Pennsylvania, Veteran Police Officer, aged 30, with over eight years law enforcement experience was fatally shot on 09/23/2008 at approximately 1:47 p.m. Officer was conducting investigation on vehicle occupied by two individuals. One individual was wanted for parole violations and had active arrest warrant for aggravated assault on police. When this individual fled vehicle on foot, Officer gave chase. During foot pursuit, subject produced .45 caliber semiautomatic handgun and shot Officer. Subject then stood over victim Officer and shot him multiple times as he lay on ground. Subject fled scene of incident on foot and was subsequently met by responding officer. Exchange of gunfire occurred between subject and responding officer. Responding officer was shot in left hip and subject was shot in chest, head, and back. Subject continued to run and eventually collapsed. Subject was pronounced dead at scene, and victim Officer was rushed to local hospital where he was pronounced dead by medical personnel. Responding officer was transported to local hospital and is currently in stable condition.

Chicago Police Department (CPD), Illinois, Veteran Police Officer, aged 39, with over 14 years law enforcement experience was fatally shot on 09/28/2008 at approximately 5:30 a.m. Police Officer and three additional members of CPD's narcotics and gang investigation unit were preparing to execute search warrant at subject's residence. While team was on scene, owner of residence (subject) arrived in vehicle. As team approached subject's vehicle, subject opened fire on team, striking victim Officer three times in head and chest. Another officer returned fire and critically wounded subject. Victim Officer was transported to local hospital where he succumbed to his injuries later that day. Subject is currently in critical condition.
