Law Enforcement Employees in Wisconsin 2009

March 2010

INTRODUCTION

Background

Law Enforcement Employees in Wisconsin is an annual report prepared by the Statistical Analysis Center (SAC) at the Office of Justice Assistance (OJA). This report is a collection of law enforcement employee data taken from a yearly survey of agencies participating in the Federal Bureau of Investigation's Uniform Crime Reporting (UCR) program. The primary purpose of the report is to present information related to the number of full-time sworn law enforcement officers and civilian employees in Wisconsin. This includes the total number of employees for each agency, as well as the rate of employees per 1,000 in population. Rates are provided as a way to standardize the numbers and allow for more accurate comparisons across agencies. It should be noted that figures for some agencies (e.g., UW Campus Police Departments, DNR, State Patrol) are absent due to the fact that no permanent resident population is assigned to them.

Each November, OJA sends a survey questionnaire to each agency asking for the total number of law enforcement officers on the payroll as of October 31. This includes full-time sworn law enforcement officers, as well as civilian personnel. The FBI has provided specific definitions for each employee classification (see below).

Sworn Law Enforcement Officers: Full-time law enforcement personnel that possess full arrest powers, carry a firearm and a badge, and are paid from governmental funds set aside specifically for sworn law enforcement representatives. Primary duties include responding to routine calls for police service, emergency situations, or crime scenes; performing routine patrol; rendering emergency services, enforcing criminal laws and traffic regulations; and investigating violations of criminal laws and traffic accidents. Correctional officers and jailers that are sworn employees and possess full arrest powers outside of the jail facility. Employees' salaries are paid from law enforcement funds.

Civilian Employees: Full-time civilian employees that are not sworn law enforcement officers such as clerks, radio dispatchers, meter attendants, stenographers, and mechanics. Correctional officers and jailers that do not have full police or arrest powers outside of the jail. Employees' salaries are paid from law enforcement funds.

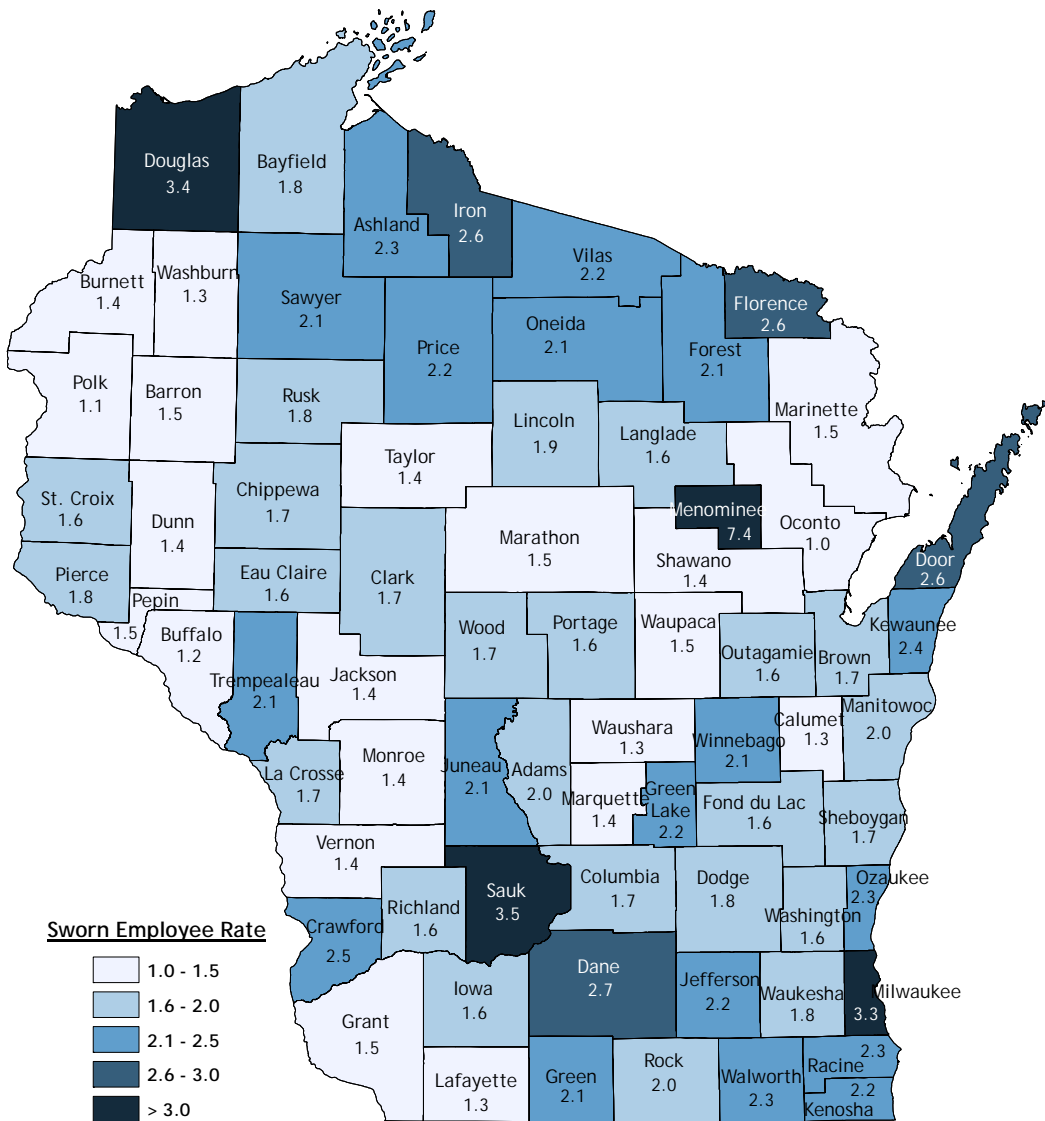

Structure

This report contains all of the information collected from the annual law enforcement employee survey. It provides two separate tables; each containing the same information, but presented differently. Table 1 contains employee counts and rates for each agency by county. Table 2 contains employee counts and rates for each agency by population group. The purpose of providing two separate tables is to aid readers in their search for comparisons within counties, as well as population groups. Important to note, population figures are taken from the previous year due to the unavailability of more current statistics.

Statewide Law Enforcement Employee Trends, 2008 - 2009

| SWORN EMPLOYEES | | | | CIVILIAN EMPLOYEES | | | |
|----------------------------------|--------|--------|--------|----------------------------------|-------|-------|--------|
